This light and bright 3 bed, 2 bath, 1,165 sq ft Bennett Valley charmer has been in the same family since the day it was built in 1966 and it shows in all the right ways. Real oak hardwood floors, a cozy fireplace, and the original kitchen cabinets and Formica countertops give this home an authentic mid-century character that simply cannot be replicated. Immaculately maintained throughout its entire life, this is not a flipped or freshened-up version of itself, it's the real thing, cared for with pride by one family for nearly six decades. The eat-in kitchen opens to a private patio, creating an easy indoor-outdoor flow for morning coffee or weekend entertaining. Central A/C keeps you comfortable year-round, and the 2-car garage adds the storage and parking everyday life requires. Bennett Valley is one of Santa Rosa's most quietly desirable neighborhoods, framed by hills and open space. Yulupa Avenue shopping, Howarth Park, and Hwy 12 are all minutes away. A home with this kind of history and condition does not come along often. It's Bennett Valley living at its best.
